

Born2BeRoot G

Do not lose your Born2BeRoot : get a ...

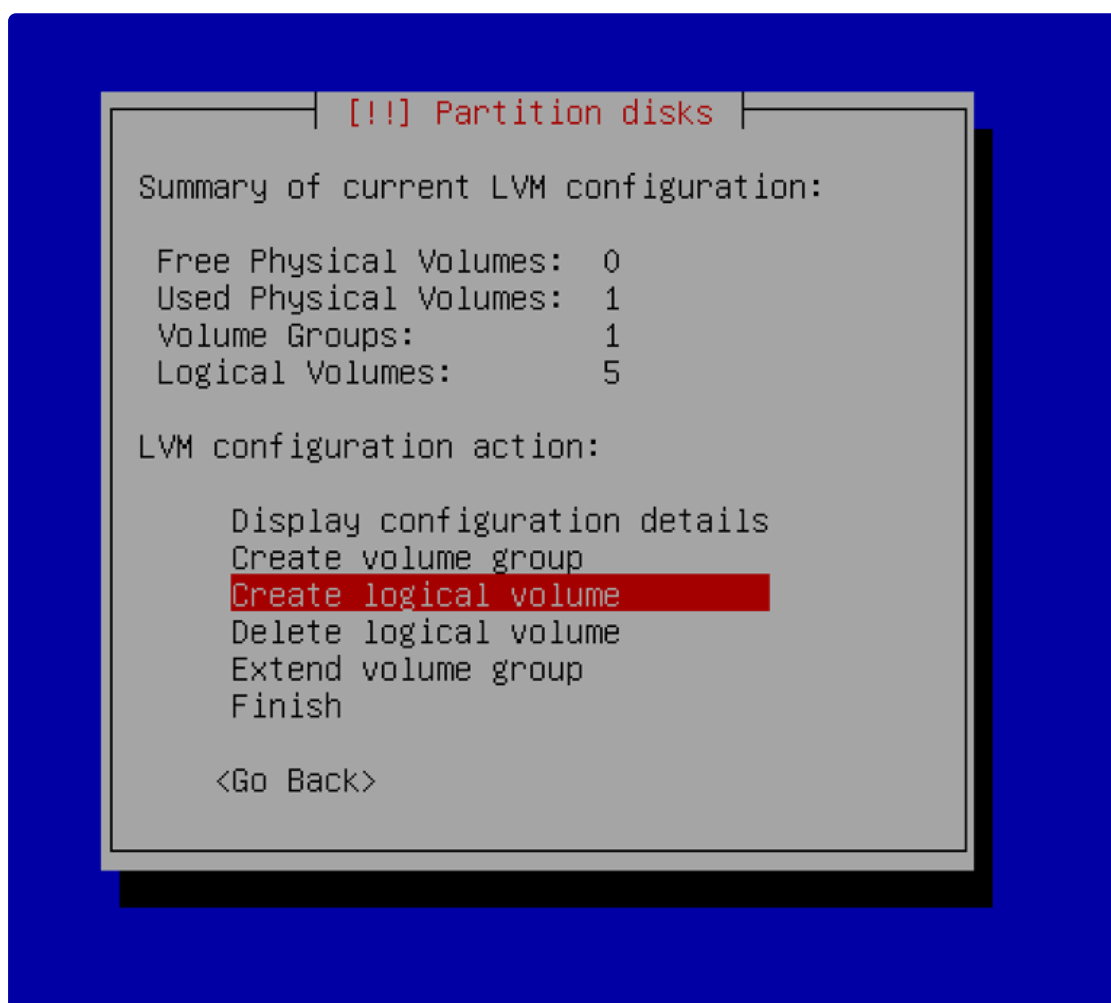

[Installing Debian](#) > [BONUS: Partition Disks](#)

Copy

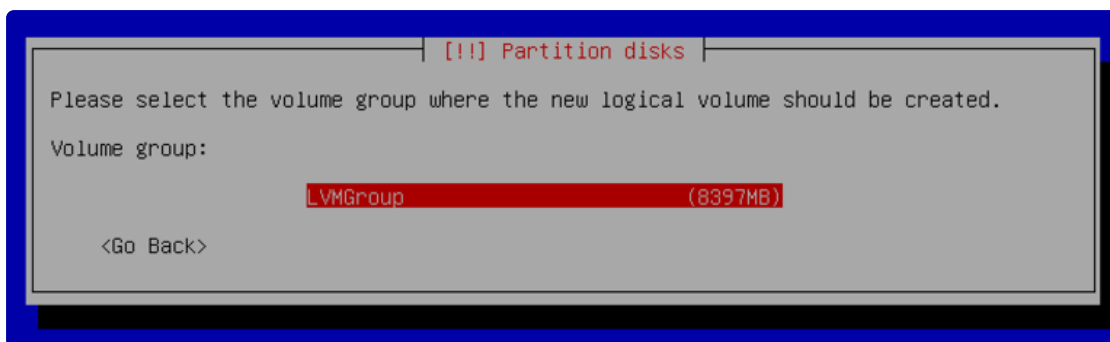

BONUS: logical volume tmp

1. We repeat the process for `tmp`. We only change the name.

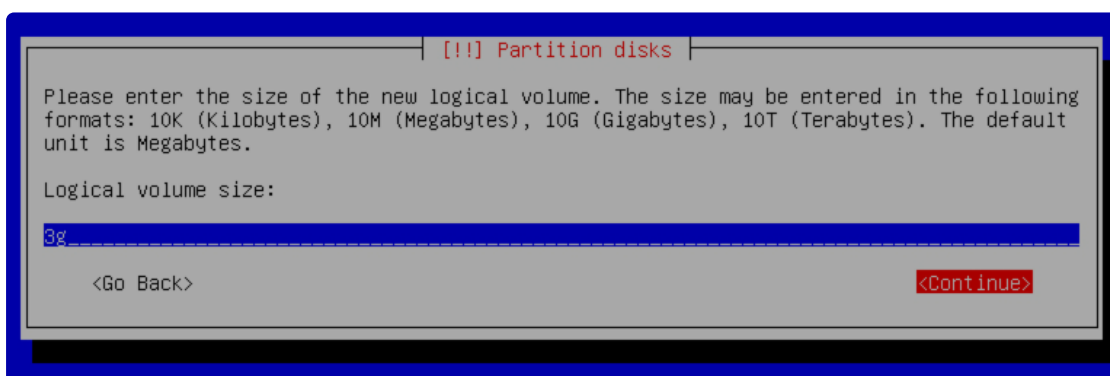

2. Select `LVMGroup` and `continue`

3. Write **tmp** and

4. Write **3g** and

5.

[Previous](#)
BONUS: logical volume srv

Next
BONUS: logical volume var-log
